BECOME A FRIEND!

AT THE PARK FOREST LIBRARY

For over fifty years, Park Forest Branch Library has provided special events for all ages. Our library offers many opportunities to be involved with community members, to learn new skills, and to experience exciting programming. Patrons get help mastering functions of their mobile devices, get one-on-one tutoring at our computers, and can print their information. With the support of our Park Forest Library Friends (PFLF), we offer programming for all ages, host family game nights, invite guest speakers, provide "shred day," and hold an annual bookmark competition! We enjoy celebrating the cultures in our community, and we never forget to celebrate Star Wars Day, May 4th, and many other special days.
